Day 1

www.thisreadingmama.com

1. Introduce Sight Words

2. Rainbow Write Sight Words

- Roll a die.
- Write the words in their entirety with the color that matches the die pattern.
- Repeat 5 or more times.
- Find [free Rainbow Roll & Write pages](#) for some of the review words on my blog.

3. ED Puzzles or ED Picture/Word Matching

- Point out the ED pattern on each word. Read each word like this, "r-ed, red", "b-ed, bed". Invite the child to give it a try.
- ED Puzzles– Some children may need you to separate the beginning, middle, and ending sounds into three separate piles. Other children may be okay with all pieces in one pile mixed up.
- Work the ED puzzles and then read the words together.
- ED Picture/Word Matching– Use smaller or larger pocket chart sized cards. Lay out all the pictures, then ask child to match the words to each picture. Read the words together.

4. All Day Long Poem

- Read the poem to the child just for enjoyment and meaning. Talk about what's happening in the poem. Ask questions or discuss pictures you see in your head as you read it.
- Read the poem slowly through again. Invite the child to underline or highlight the word family words and new sight words.

Day 2

1. Sight Word Activity Pages

Learning to Read: Lesson 1q

EN Family / sight words: *this, good*

Day 1

www.thisreadingmama.com

1. Introduce Sight Words

- Show sight word cards to the child. Place them in a prominent spot. Spell out the letters of each word using your body. Find free sight word chants & action cards on my blog [HERE](#), [HERE](#), and [HERE](#).

2. Rainbow Write Sight Words

- Roll a die.
- Write the words in their entirety with the color that matches the die pattern.
- Repeat 5 or more times.
- Find [free Rainbow Roll & Write pages](#) for some of the review words on my blog.

3. EN Puzzles or EN Picture/Word Matching

- Point out the EN pattern on each word. Read each word like this, "h-en, hen", "p-en, pen". Invite the child to give it a try.
- EN Puzzles— Some children may need you to separate the beginning, middle, and ending sounds into three separate piles. Other children may be okay with all pieces in one pile mixed up.
- Work the EN puzzles and then read the words together.
- EN Picture/Word Matching— Use smaller or larger pocket chart sized cards. Lay out all the pictures, then ask child to match the words to each picture. Read the words together.

4. Naughty Hen Poem

- Read the poem to the child just for enjoyment and meaning. Talk about what's happening in the poem. Ask questions or discuss pictures you see in your head as you read it.
- Read the poem slowly through again. Invite the child to underline or highlight the word family words and new sight words.

Day 2

1. Sight Word Activity Pages

- Show sight word cards to the child. Briefly review the words. Clap, cheer, or chant the words again.
- Give the child the sight word activity page (Read, Trace, Find, Cut & Paste) for each sight word.

2. EN Puzzles or Picture/Word Matching

- Review the EN puzzles or picture/word matching. Ask the child to read each word. (A fun activity is to time the child matching/reading the pieces. Then, time him doing it again to see if he can beat his own time.)

3. Naughty Hen Poem

- Ask the child what he can remember about the poem.
- Re-read the poem. If you feel the child is ready, ask him to read the new sight words (*this* and *good*) and EN words.

4. I Have Ten Reader

- Invite the child to look through the book at the pictures. Talk about what's happening.
- Look at the Words I Can Read list at the front of the book. Read the words together.
- Support the child as he reads the words. For example, point to the picture, help him sound it out, or point to your word wall if those strategies can help him read words.

1. Sight Word Searches— directions are on each sight word page

2. EN Puzzles/EN Matching/Word Family Slider

- Choose any of these to review the EN family words

3. Roll, Read, & Find

- Directions are included on the page. Great for review of word family words and sight words!

4. *I Have Ten* Reader

- Find the word family words in the book before reading again.

- Support the child as he reads the book again.

4. Playdough Mats (Optional)

- Let the child choose a word family playdough mat or either of the sight word mats.

There are 2 options with the playdough mats. 1— Place in a plastic sleeve protector and follow the set of directions at the top of each section (Spell with Playdough, Spell with Letter Tiles, etc.). 2— Print onto paper and follow the set of directions at the bottom of each section (Color, Stamp the Word, etc.).

Note: Option 1 makes the activity reusable.

Day 4

1. Sight Word Mazes

- Use dot paint, transparent counters, round magnets, or child can color in the circles.

2. EN Activity Page/I Can Spell/EN Matching/EN Word Sort

- Choose any of these to review the EN family words.

3. Re-read *Naughty Hen* Poem

- Invite the child to read the new sight words and word family words.

4. Re-read *I Have Ten* Reader

- Support the child as he reads the book with more independence.

5. Playdough Mats (Optional) – see day 3 for options

Day 5

1. Color it Crazy – coloring by sight words

2. If I Can Spell... use the [beginning sounds chart](#) to make as many -EN words as you can together.

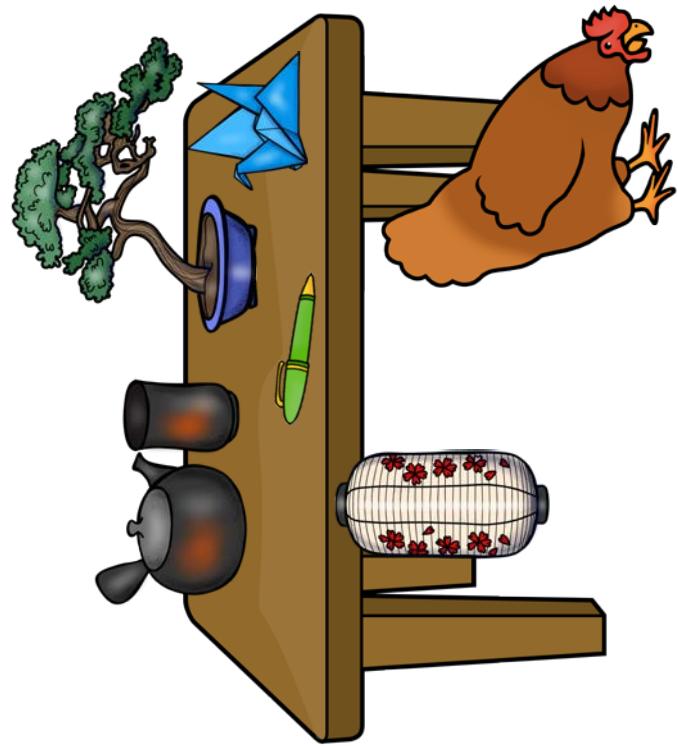

3. Re-read *I Have Ten* – Encourage child to read the book with independence.

4. Roll It! Read It! Game – Use this game as a fun way to review word family and sight words from the lesson.

5. -en TEN Poster & Display Sight Words – If you have room, create a [Word Wall](#) and display the sight words from the lesson. If you don't have room on a wall, record the words in a [Word Wall Folder](#). Also display the -en TEN poster and read the words together.

3. Short e Clip Cards / Short e Activity Page / Word Family Review Activities (choose 1 or 2)

- Short e Clip Cards– Clip the correct ending for each picture with a clothespin to review ED, ET, & EN word family patterns.
- Short e Activity Page– Follow directions on the printable.
- Word Family Review Activities – Use any of the activities previously printed (such as the playdough mats, puzzles, or picture/word matching) from lessons 17–19 to review the short e word families.

4. A Ride to the Mill Poem

- Read the poem to the child just for enjoyment and meaning. Talk about what's happening in the poem. Ask questions or discuss pictures you see in your head as you read it.
- Read the poem slowly through again. Invite the child to underline or highlight the word family words (ED, ET, & EN) and new sight words.

Day 2

1. Sight Word Activity Pages

- Show sight word cards to the child. Briefly review the words. Clap, cheer, or chant the words again.
- Give the child the sight word activity page (Read, Trace, Find, Cut & Paste) for each sight word.

2. Short e Word Sort / Search & Sort / Word Family Review Activities (choose 1 or 2)

- Review the three short e word families with any of these activities. The word family review activities come from any of the word family activities in lessons 17–19.

3. A Ride to the Mill Poem

- Ask the child what he can remember about the poem.
- Re-read the poem. If you feel the child is ready, ask him to read the new sight words and word family words (ED, ET, & EN) when you come to them.

4. Can It Be? Reader

- Invite the child to look through the book at the pictures. Talk about what's happening.
- Look at the Words I Can Read list at the front of the book. Read the words together.
- Support the child as he reads the words. For example, point to the picture if it will help him read a word.

1. Sight Word Searches OR Roll & Race – directions are on each sight word page

2. Just Swap 1 Spelling Board

- Use the color board and letter tiles or printable letter cards. The black/white version includes a place for kids to write the words.

3. Roll, Read, & Find

- Directions are included on the page. Great for review of word family words and sight words!

4. *Can It Be?* Reader

- Find the word family words in the book before reading again.

- Provide support, if needed, as he reads the book.

5. Playdough Mats OR Sight Word Review / Short Vowel Extension Activities (Optional)

- Let the child choose between the short e playdough mat or either of the sight word mats.

There are 2 options with the playdough mats. 1– Place in a plastic sleeve protector and follow the set of directions at the top of each section (Spell with Playdough, Spell with Letter Tiles, etc.). 2– Use copy paper and follow the set of directions at the bottom of each section (Color, Stamp the Word, etc.).

Note: Option 1 makes the activity reusable.

Day 4

1. Sight Word Mazes

- Use dot paint, transparent counters, round magnets, or child can color in the circles.

2. Spin n' Spell OR any Word Family Review Activities from Lessons 17–19

3. Re-read *Can It Be?* Reader

- Encourage the child to read as much of the book as he can. Limit your support.

4. Re-read readers from lessons 17–19

- Let the child choose to read 1, 2, or all 3 books from lessons 17–19. Be open to re-reading poems together, too!

5. Sight Word Review or Short e Extension Activity (Optional)

Day 5

1. Color it CRAZY – coloring by sight words

2. Re-read *Can It Be?* Reader – Encourage the child to read the book with independence.

3. Re-read readers or poems from lessons 17–19 / Sight Word or Short e Extension Activities

4. Roll It! Read It! Game – Use this game as a fun way to review word family and sight words from the lesson.

5. Review the ED bed, ET wet, and EN ten Word Banks & Display Sight Words – If you have room, create a [Word Wall](#) and display the sight words from the lesson. If you don't have room on a wall, record the words in a [Word Wall Folder](#). Read the word bank words together again.

How to Make Your Own Game Boards

In order to type into the editable fields *using the same font* as the pre-made games I have made, follow these steps.

1. Open this PDF document with the most recent version of Adobe Reader. An older version may work just fine for you. But if you are having trouble, it might be that you need the most recent version.
2. Click on any of the blue boxes and type in your words. Highlight the words and hold down Control + E.
3. A little box will pop up that lets you select your own font and font size from your computer for each word.
4. If you would like to use the same font that I did, go to [Teachers Pay Teachers](#) and login. (If you don't have a TpT account, you will want one. Trust me!) Download and install [this free font](#) from KG Fonts to your computer. The exact font I used is, *KG Blank Space Solid*. See steps 2–3 above for selecting this font.

Short e Words with Blends & Digraphs

How to Use:

Typically, learners are ready to begin exploring blends and digraphs as they gain confidence with short vowel CVC patterns. This is evident when they are reading and especially spelling most CVC words with few mistakes.

- These extra short e words with blends & digraphs are a perfect way to challenge learners who finish the simple CVC short e word family activities before other learners.
- They can also be used to extend *Learn to Read* after you have finished all 6 units!

Picture Key (included for pages that don't have words)

Dab It! -page 1

vest, fled, stem, bent, shed, neck

Dab It! -page 2

nest, tent, melt, step, left, sled

Just Add 1 pages*

net-nest, men-mend, vet-vest

met-melt, bed-bled, hen-when

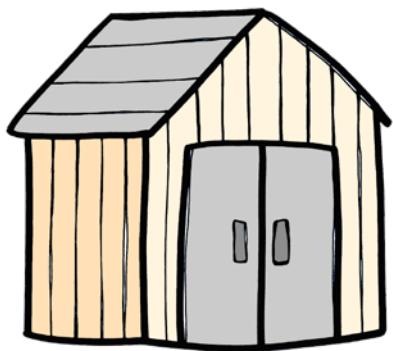

ten-tent, pet-pest, fed-fled

*Similar to the Just Swap 1 game boards from Units 1–6, Just Add 1 gets kids adding only one more letter to the CVC word to create a longer short vowel word. These cards work best with letter tiles.
